

Selection procedure for scholarships offered by University College Absalon.

University College Absalon has a limited number of scholarships available each semester for non-EU/EEA students applying to an international course or full degree program.

Students who are granted a scholarship, are exempt from paying tuition fee. Additionally, students may also apply for and receive a scholarship of approximately DKK 6000/month to cover living expenses in Denmark. This scholarship is awarded at the beginning of each month after the student's arrival in Denmark.

As University College Absalon receives applications from more qualified applicants then there are scholarships for we have to select among the applications.

The scholarships are awarded based on the following criteria:

- Applicant's letter (including endorsement and resume)
- Grades
- Applications from students that are enrolled at educational institutions that we cooperate with may be given priority
